The Test for Admission into Catholic High Schools (TACHS) tests eighth grade students who are interested in attending Catholic high school the following year. The results from that examination, along with school records and other information, are then sent to the high school principals to assist them in making admission decisions.

Each individual high school makes its own admission and scholarship decisions. Please view our [High School Guide \(PDF\)](#) for information on high schools in Brooklyn and Queens.

TACHS is only for Grade 8 students, not students who have already completed Grade 8.
